The first score for Catholic University was made after some ten minutes of play, when Cantwell registered a goal on a foul by Sitterding. The other 2 points were made toward the close of the half on a good shot by O'Donnell, and the result stood 19 to 3,

During the second half Woods was substituted for Gallagher on the Brookland team, and Vlyman took Dilkes' place at center for the collegians. The change worked well for both teams.

Cantwell and O'Donnell made several nice goals after a rapid interchange of shots. Tobin, the leader of the Brooklanders, and Vlyman both played well.

Because of the fact that two inferior ight-weights were allowed to fight twenty rounds at Ogden last week, without interference, after the mayor had notified e governor of Utah that the bo be a boxing contest, Tex Rickard has again expressed confidence in his ability to run the Jeffries-Johnson battle at Salt Lake City. But the Utah statue promot-

ing prize fighting reads this way: "Every person who engages in, instigates, encourages, or promotes any ring or prize fight, or any premediated fight or contention, without deadly weapons, either as principal, aid, second, umpire, surgeon, or otherwise, is punishable by imprisonment in the State prison not exceeding two years."

As Jeffries and Johnson will fight for 1 \$101,000 purse, aside from the moving pictures rake-off, it is reasonably sure that Gov. Spry cannot be convinced that their mix-up will be a boxing match. There is no doubt about California, where the laws permit such contests, consemently it is regarded as a sure thing that the big fighters will enter a ring pitched in or very near San Francisco.

SOUTHERN LEAGUE SCHEDULE.

President Kavanaugh, of the Southern League, has completed a tentative schedule for the coming season. The campaign will begin on April 14 and will end September 17. As a result of the substitution of Chattanooga for Little Rock, the league will be divided in a northern and southern division, instead of east and west. It is proposed that Memphis open at home April 14 with Nashville; Atlanta with Chattanooga, Birmingham with Montgomery, and New Orleans with Mobile, the teams on the road to return home after the first series. The northern division, which will be composed of Memphis, Nashville, Chattanooga, and Atlanta, will then go south for a series. Then the southern clubs will go north. The schedule committee will meet this week to arrange a full list of playing dates.
